Eastern Primary School Vision –

Our children will be **included, safe, healthy, caring, active and responsible**

We are fast approaching the end of another exciting, busy, and successful year and are now preparing for next session. As soon as we are in a position to inform you of your child's next teacher we will send a letter home. With the exception of our current P1s, all classes will retain the same structure.

There are 3 members of staff, Mrs Arcari, Mrs Logie and Mrs Morton, who are looking forward to many years of happy retirement. All of the children, staff, and I am sure parents, wish them a relaxed and enjoyable time.

Congratulations to Mrs Watt who is moving onto another school as a permanent member of staff. We welcome Mrs Patterson, who has been working with us one day a week this year, as a permanent, full time member of our team. Congratulations also to Miss Murphy who has successfully completed her NQT (Newly Qualified Teacher) year. Good luck to Miss Livingstone who is getting married and heading off to Australia!

We wish Miss Brownlee a wonderful time over the coming year as she prepares to welcome her baby.

Thank you to all of the staff, parents, volunteers and community partners who have contributed to all we have achieved this year. A particular thanks is extended to the team of parents on our Parent Council who have worked tirelessly to support the improvement of our school!

Please remember that you can order **uniform** online by going to www.border-embroideries.co.uk

Ties can be bought at the school office for £4.00 each.

We strongly encourage all children to wear **black school shoes** and **not trainers or coloured shoes** to school.

Please do not send your child to school with a top that has a hood unless that is their outdoor coat.

Please also keep jewellery and fancy hair accessories for outwith school time.

Lining Up in the Playground

We will put named cones out to indicate where the children will line up on **August 19th**.

We will practise lining up during the last week of term and hope that the children will be much clearer about how they are expected to stand before coming in to school.

It would be extremely helpful if parents and carers could leave the playground after dropping children off before 9.00am to allow us to get the children into school promptly and safely.

Your support is much appreciated.
